8.1 MOTTOP FINOI FIX

In order to increase your grade on this final test, you will need to complete the following tasks:

- 1. Write the questions number
- 2. White the correct answer to each question that you missed and provide an explanation for why your new answer is correct. DO NOT WRITE an excuse, such as I was tired or I misread the question, or I clicked the wrong answer. Explain the concept of the question.
- 3. Receive $\frac{1}{2}$ a point for each of the answers that you correctly fix for the final test.
