

Name: \_\_\_\_\_

# NATURAL SYSTEMS VOCABULARY

**Directions:** Find the definitions and pictures by using Quizlet. The link is located at [dixiemiddlescience.weebly.com](http://dixiemiddlescience.weebly.com) under the 8.4 Natural Systems tab. After you complete the definitions and pictures, you will need to play TWO Quizlet games and write the scores here. We will complete the KEY vocab on the back as a class.

Quizlet Score: #1  #2

TERM	DEFINITION	PICTURE
Natural Resources		
Synthetic		
Renewable		
Non-renewable		
Mineral		
Mining		
Geological Processes		
Fossil Fuel		
Natural Hazard		
Catastrophic Event
